Glory to Jesus Christ!

Clothing is a common New Testament metaphor for spiritual change. Paul wrote in Romans, "Clothe yourselves with the Lord Jesus Christ, and do not think about how to gratify the desires of the sinful nature" (Rom 13:14). And in today's epistle from Colossians, we read, "Therefore, as God's chosen people, holy and beloved, clothe yourselves with compassion, kindness, humility, gentleness and patience" (Colossians 3:12). The old clothes must come off and new ones put on. Today's Gospel confronts us with the paradox of God's free invitation to the banquet with no strings attached, but also the requirement of "putting on" something appropriate to that calling. The theological point is that we are warned of the dire consequences of accepting the invitation and doing nothing except showing up. Wearing the garments indicates one's participation in the joy of the feast. It seems to me that what the Gospel reveals to us is that even those who show up still have some work to do, especially if they show up for the banquet but don't make any effort to change their hearts!

Each week we are celebrating a Liturgy intention for individual or family members of our parish community (in alphabetical order). It's another way we can pray for each other during these days of being distanced. This week (Sunday, 20 December @ 5:00PM) we pray for the **Miller-Bowman Family: Chris, Robin, Ben & Jonathan**.

Peace be with you,
Fr. André

Prayer for Spiritual Communion

My Jesus, I believe that You are present in these Holy Gifts! I love You above all things and I desire to receive You into my soul. Since I cannot receive You now, I place before You my whole life and hope, O loving Master; and I ask, pray, and entreat You: Make me worthy to partake in a mystical way and with a pure conscience of Your awesome and heavenly Mysteries: for forgiveness of sins, for the pardon of offenses, for communion of the Holy Spirit, for the inheritance of the kingdom of heaven, for confidence before You, and not for judgment or condemnation. I embrace You as You enter and abide in me, and I unite myself completely to You. Permeate my soul and body, and never permit me to be separated from You. Amen.

PLEASE PRAY FOR...

Alex Skakun, Steph Cooley, Jules Chrusch, Rose Chrusch, Tina Wesolowski, Nikolas Stefanyshyn, Albert/Genevieve Zaiachkowski, Olga Kondra, Bill Muzyka, Johanna Bidulka, Roman Hyshka.

Please remember in your prayers those who are in hospitals, care homes and those who are not able to join us actively in our community. Looking for talent to share!

Calling all musicians, dancers, singers...all performers.

Dormition parish is embarking on a Virtual Variety Show this Christmas. We are inviting parishioners to book a time slot to come and record their talent in the parish hall. Physical distancing will be in effect as well as all other COVID protocols to ensure safety, however we can arrange other options for recording for those who don't feel comfortable coming to the church. We will make it work.

We will make this video available to residents in senior care homes near and far via YouTube. We are hoping to help lift the spirits of those who are isolated from friends and family during this time of pandemic. Many people are struggling in some way and we thought creating a virtual concert, might make things better in some small way. Consider sharing your talents with those who are in need in our community. Children and adults welcome to perform. Email Carla at lillyanna@sasktel.net or text/call 306-715-1828 to register your gift of talent ASAP. **Recording sessions will happen between December 19 and 23.** Exact times TBD. Thank you for considering helping this project and those in our community.

Appeal for Donations for Catholic Missions in Canada

Catholic Missions in Canada help our Eparchy by supporting our programs such as the Ukrainian Catholic Religious Education Centre (UCREC) programs, Youth Camps, Youth Programs,

Campus Ministry, as well as financial assistance for several of our parishes with some of their major projects. The collection for Catholic Missions in Canada through our Eparchy is usually done during the month of October, but with the situation with the COVID-19 pandemic, this was not able to happen. Below is a letter to Bishop Bryan Bayda, CSsR from Rev. David Reilander, President of Catholic Missions in Canada, with an appeal for donations.

Dear Excellency,

As you unfortunately know, COVID-19 continues. I pray that you are safe and healthy. Our home missions are struggling, but I don't need to tell you that. I am concerned about the people in our missions, but also worried about our donors, as some have succumbed to the virus. The Lord bless them and let their good deeds go before them that they may see His face.

Fundraising for our missions is harder because of lockdowns and restrictions on gatherings for places of worship. We depend on Diocesan/Eparchial collections and my preaching in parishes and conventions, which isn't happening.

May I make a simple request? Only if it's possible, could you increase your donation by \$5 or \$10? My thinking is that our emergency needs must still be covered. If you can help, our bishops would appreciate it. But only if you can for these are hard times.

Yours in Christ,

(Rev.) David Reilander, President

Your support and donation would be greatly appreciated. You can make donation to Catholic Missions in Canada through your parish (if you are able to attend Divine Liturgies), by using the designated envelope that was with your church envelopes, or go directly to the website for Catholic Missions in Canada and make your online donation at <https://cmic.info/donate/>.

Thank you for your support for Catholic Missions in Canada

With prayers and blessings,

+Most Rev. Bryan J. Bayda, CSsR

- **BEREAVED CAREGIVERS: LIVING THROUGH LOSS** with Brenda Gibbs. Six Wednesday afternoons, 1:00 - 3:00 p.m. A support group held at Queen's House following all physical distancing protocols. Caregivers have often experienced years of anticipatory grief caused by the cumulative losses that occurs when a family is expecting a death. Now the vigil is over, and the final grief can be intense. No one grieves the same and there is no single recipe or formula to grief work. All that is needed is a commitment to do the work and grow in your grief. With grief in your heart, you will never be the same again; yet there is hope in finding meaning and reinvesting in your future. Cost: \$120/6 sessions. A minimum of 5 and maximum of 7 participants are needed to offer this support group. Call Brenda prior to registering: 306-227-7323. Registration deadline: **January 18.**

Explore the book The Story of Ruth, written by Sr. Joan Chittister, OSB. Through readings, self-reflection, sharing and creative expression we will seek to better understand the ancient story of Ruth, and how as women today we are still able to connect to this story. We will journey from Loss through Independence to Fulfillment - a spiritual coming home to our true self. Cost: \$90/6 sessions. A minimum of 10 and maximum of 12 participants are needed to offer this series. Registration deadline: **January 25.**
- **FROM YESTERDAY TO TOMORROW IN A TIME OF PANDEMIC** - Facilitators: Nancy Phillips and Julien Fradette. Offered on Zoom. The past months have required us to live differently. For some, the adjustment to this journey has been slight, for others monumental. In whatever way we have experienced this time, we are all called to find new ways of living as we transition from yesterday to tomorrow. Using themes from the Paschal Mystery this retreat will provide an opportunity to reflect on the experience of yesterday's losses and its accompanying process of grieving. These insights will allow us to open space within ourselves to live tomorrow with a new richness in our daily lives. **Saturday January 30, 9:30 a.m. - 4:30 p.m.** Cost: \$75. A minimum of 9 participants are needed to offer this program - registration deadline: **January 27.**

EPARCHY OF SASKATOON EPARCHIAL SAFEGUARDING POLICY: COVENANT OF CARE, ELECTRONIC COMMUNICATION AND TECHNOLOGY & ABUSE AND MISCONDUCT POLICY

This ***Eparchial Safeguarding Policy: Covenant of Care, Electronic Communication and Technology & Abuse and Misconduct Policy*** is a code of conduct which is designed to create safe and respectful church communities and healthy ministerial relationships, and to protect people from abuse and the harm that results.

In the Pastoral Letter of the Synod of Bishops of the UGCC on “Safeguarding from Various Incidents of Violence towards Children, Handicapped, and Vulnerable People” (Oct 14, 2019), Patriarch Sviatoslav Shevchuk writes:

“With this synodal message, we affirm the desire of the Ukrainian Greek Catholic Church throughout the world to progress to the next stage of understanding, healing, and preventing all forms of violence against human dignity in the church environment and in the community at large, ‘working not for the sake of appearances, to please men, but as Christ’s servants, who fulfil the will of God from the heart.’ (Eph. 6:6) [...] Let us make our parishes, monasteries, and seminaries places of shared responsibility and brotherhood, where bishops, priests, monastics, and lay people all grow together in faith, love, mercy, and service to one another. Let us follow the model of Jesus Christ, who ‘did not come to be served but to serve and give his life for the redemption for many.’ (Matthew 20:28) [...] Dear brothers and sisters! Remember that any form of violence directed against human dignity disrespects the image of God and His likeness that are present in every person (Genesis 1:27; Psalm 8). But worse in the eyes of God is the sin of His servants, who violate their oaths and scandalize the hearts of those who trusted them. These evil deeds require lasting and patient healing that is not possible without God’s grace, effective love, and mercy. Safeguarding from violence against children, minors and vulnerable persons, is the responsibility of every member of the Church – bishop, priest, consecrated person, layman and laywoman [...] Let our church communities be places where everyone, especially the most vulnerable, can fully feel their human dignity and feel protected.”

In an effort to build and maintain church communities where every person feels safe and knows their full human dignity, we affirm the need for the people of God at every level of the Church to make it their responsibility to build these communities.

Part I: The ***Covenant of Care*** is a code of conduct which is designed to create safe and respectful church communities and responsible, healthy ministerial relationships, and to protect people from abuse and the trauma that results. In implementing this ***Covenant of Care*** the Eparchy strives to provide proactive protection for:

- minors and vulnerable adults, and
- those who minister, including clergy, employees and church volunteers.

Part II: The ***Electronic Communication and Technology Policy*** is a guide to the safer utilization of technology and the communication opportunities it affords to bring the message of the gospel. Technology does not replace the need for person-to-person interaction but assists us in our ability to communicate. It is not without challenges. It is hoped that this Policy will help to mitigate those challenges to make our online environment safer. In this regard the Policy and Code of Conduct contained therein, must be adhered to by all who utilize this form of communication in ministry in positions of trust as defined in the Eparchial Safeguarding Policy Implementation Procedure.

Part III: The ***Abuse and Misconduct Policy*** is designed to ensure that allegations of physical and sexual abuse and other misconduct are handled responsibly, transparently and with all due care and attention. Together these three parts form the ***Eparchial Safeguarding Policy***, the present version of which is dated October 1, 2020, provides authoritative directives for all who minister within and on behalf of the Eparchy. This current document revokes and supersedes any previous policies and procedures regarding these matters. For training and re-certification or to speak to someone about a concern related to the ***Eparchial Safeguarding Policy: Covenant of Care, Electronic Communication and Technology & Abuse and Misconduct Policy***, please contact:
